Education

Bachelor of Technology

Gudlavalleru Engineering College
Gudlavalleru
CGPA: 9.01

Intermediate

Narayana Junior college
Guntur
CGPA: 9.8

SSC

Master E.K Bala Bhanu Vidyalayam
Machilipatnam
CGPA: 10

ACADEMIC PROJECTS

- Detection and analysis of COVID-19 and Pneumonia through x-rays using Transfer learning.
- Pneumonia prediction using Machine Learning.
- Sanitorium Assistance using Web Technologies.

CERTIFICATIONS

- AWS Certified Cloud Practitioner.
- Data Analysis with python issued by cognitive class.

PROFILE SUMMARY

To be a part of enthusiastic work environment that offers professional challenges utilizing interpersonal skills, excellent time management, and problem-solving skills that can help me to accomplish organizational goals. Capable of mastering new technologies.

INTERNAL PROJECTS

Static website hosting using AWS S3 and Lambda - AWS:

- Created a static website, uploaded in AWS S3 which is publicly hosted.
- Deployed code in AWS lambda that trigger with other AWS services.

Student Database Analysis Using Spark - Big Data:

- Project is implemented using Data Bricks software to analyze the student data using PySpark with SQL and python.

TECHNICAL SKILLS

AWS

Python with oops

Big Data Concepts

SQL

Data Warehouse and ETL concepts

Pyspark and Databricks

Informatica

EXPERIENCE

- Undergone 3 months of Virtual Internship of AWS Cloud Computing from AICTE.
- Having total 1+ years of experience in Cognizant.
- Having 4 months of training experience from Cognizant on AWS services, DWH & ETL concepts, SQL, Big Data Concepts, Python, Unix.
- Undergone a special training on PySpark and Databricks for 2 months.
- I have been working under the CNO Account at Cognizant for the past four months, focusing on Analysis, Documentation, and Development tasks related to a data migration project.

ACHIEVEMENTS

- Gained hands-on experience with essential AWS Services including S3, EC2, Lambda, REDSHIFT, DYNAMODB, GLUE, Cloud front etc. SQL, Python, Data Warehouse and ETL Concepts, Unix concepts, Big Data Concepts (HDFS, HIVE, SQOOP, SPARK etc.).

Declaration

I hereby declare that the above information is true to the best of my knowledge and belief.
